

Dear Parent / Carer,

Further to my letter last week which set out some of the key events taking place in the coming weeks to support your child, I am pleased to share with you more information about our **Steps to Success event to be held on Wednesday 11 February (5.30 - 6.30)**.

We know that a large proportion of our students do not find it easy to revise for exams. We also know that it can be frustrating for parents to be able to support their children with this important skill. The Steps to Success event will address both of those problems and will be a practical event showing you a number of ways in which you can help your child to revise.

We will also be sharing some key information with you about the support on offer from the school, and you will also be able to collect your child's mock examination timetable.

Finally, next week we are launching our **Steps to Success Rewards package** for our Year 11 students, where high levels of attendance and engagement can help them to win prizes including school hoodies and discounted or free tickets to the Year 11 Prom in the summer.

More information on this will be shared on the 11 February.

You do not need to book a place at this event, just come along. Please aim to arrive by 5.15pm approximately for a prompt start at 5.30pm. We look forward to seeing you there.

Yours faithfully,

Mr Jonny Willis
Principal
