

Dear Parent / Carer,

As we move into the final phase of Year 10, I am writing to share some important upcoming events and to highlight the importance of this period in preparing students for a successful transition into Year 11.

Over the coming weeks, students will be involved in several key activities:

End of Year Mock Examinations

Year 10 mock exams will take place from **15 June to 26 June**. These exams are an important opportunity for students to experience formal exam conditions, assess their current progress, and identify areas for improvement ahead of their final GCSE year. We encourage all students to revise consistently and approach these exams with focus and determination.

A copy of this timetable will shortly be shared with you.

Work Experience

Work experience placements will take place during the week commencing **29 June**. This will provide valuable insight into the world of work, helping students develop key skills such as communication, responsibility, and independence. Students that do not have work experience placements are expected to be in school as normal.

Post-16 Visits and Guidance

During the week commencing **6 July**, students will also begin exploring their post-16 pathways. This includes visits to local colleges and sixth forms, as well as guidance sessions to help them consider their future options. Engaging fully in these experiences will support them in making informed decisions about their next steps.

As we approach the end of Year 10, it is vital that students remain focused and committed. The habits they establish now, consistent revision, organisation, and resilience, will have a significant impact on their success in Year 11 and beyond.

We greatly appreciate your continued support in encouraging your child to finish the year strongly, take these opportunities seriously, and strive for their very best.

If you have any questions or require further information, please do not hesitate to contact us.

Yours sincerely,

Mr Groak
Trust Vice Principal
