

21 July 2025

Dear Parent / Carer

I hope this finds you well and can hardly believe that after the stress of the exam season, the excitement of the Leavers' Assembly and the wonderful Prom that we are now only one month away from GCSE results! I hope your child is enjoying the summer break and looking forward to what lies ahead.

As you are aware, GCSE results day is **Thursday 21 August 2025** and school will be open from **9am until 11am** for students to collect their results. Students will need to sign to say they have collected their results in person. If the student cannot attend the school at this time but still wants their results on Thursday, they may ask a representative to collect them, but students need to send the representative with a letter of authorisation. This letter must be signed and dated by the student themselves and must say that they authorise that person to collect their results on their behalf. The representative should bring in some form of photo ID and will need to sign to confirm receipt. Alternatively students could send an A4 stamped addressed envelope into school prior to the results day, along with a signed letter asking us to post the results home. Students will need to make sure that you have sufficient postage on the envelope; however please bear in mind that George Pindar School will take no responsibility for results lost in the post. The school cannot communicate results over the telephone. Should you have any queries about results day, please contact Mrs Welsh via email to L.welsh@gps.hlt.academy

Some members of school staff will be available on the morning, to whom students can talk if they feel they have not got the results they were expecting. In some circumstances school can submit a review of results, but students need to be aware that marks can go down as well as up and this must be considered before they and the school give consent/payment for this. The deadline for requests to be received is 25 September 2025. More details are in results' envelopes.

In school our thoughts are naturally turning towards the results for our new Year 11s and we would therefore be grateful for the donation of any old revision guides which are no longer required. Students can drop these off on Results Day or at reception from 1st September 2025. Thank you for your support.

I hope your child gets the results they have worked hard for and I would like to take this opportunity to wish them well in the future.

Yours sincerely

Lesley Welsh
